HAYS - Congressman Jerry Moran today announced that Daron Jamison of Quinter has been added to the staff. Jamison will work as a congressional services representative in Moran's Hays district office.

"Daron is an important addition to our staff, and I am pleased to have him working for the people of the First District," Moran said. "Daron has excelled in academics and in his professional life, and it's good to have his knowledge and experience working to serve Kansans."

Jamison is a 1998 graduate of Quinter High School and a 2003 graduate of Fort Hays State University with degrees in business administration and organizational leadership. While at FHSU, Jamison was on the Dean's Honor Roll and was recognized with the FHSU Presidents Award in May 2003. He was also named Student Leader of the Year in 2003. In addition, Jamison was the FHSU Student Body President in 2002 and 2003, and he served as Student Advisory Chair for the Kansas Board of Regents.

Jamison previously served as an intern in Congressman Moran's Washington, D.C. office in the summer of 2001.

"I had the opportunity to work as an intern for the Congressman three years ago, and I feel honored to work for him again," Jamison said. "He is someone who truly cares about Kansans, and I will enjoy working for the people of the 'Big First' Congressional District."

As a constituent services representative, Jamison will assist constituents of the First Congressional District with their issues and concerns relating to federal agencies.

Daron is the son of Gordon and Marsha Jamison of Quinter.
